# Media Center Messages

The GMS Makerspace is officially open. This is a place in the library where you can come to create, design, and invent.

Donations greatly appreciated!

Students, remember to "Get Caught Reading". Put your ticket in the container in the library. The weekly drawing will be held on Friday. Teachers, if you need more tickets, let Mrs. Butterworth know.

The GMS Gazette is taking your questions to be featured in our advice column. If you have a question or concern that one of our staffers can help with, drop it in the box at Mrs. Dodd's desk and maybe it will be chosen to be answered!

*Can I help you?*

Each Box Top collected earns us 10¢, so if we collect 20,000 we can buy a new set of Chromebooks for a class!

Bring them to Mrs. Dodd for collection!
